Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for roadway planning in the surface transportation reauthorization legislation. The project sponsor is Palm Beach County and the project is located at Flavor Pict Road in Delray Beach, FL.

The funding is designated for the for design, permitting, and right-of-way for 1.7 miles of a new 4-lane roadway and bridge over Florida's Turnpike to complete the last link of Flavor Pict Road, making it a continuous east-west roadway from State Road 7 to South Military Trail.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: This project will provide an alternate route to serve Delray Beach, Boynton Beach and unincorporated Palm Beach County, improving accessibility, safety and security for residents and businesses in the area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lois Frankel
Member of Congress
